

GREATER NAPLES LEADERSHIP

MISSION STATEMENT

To provide proven leaders with a unique opportunity to learn firsthand about the issues and needs in Collier County and to encourage the use of their skills, individually and collectively, in bettering the community.

GNL COMMUNITY SUPPORT POLICY

GNL encourages members to use their knowledge, experience and leadership skills to better our community. Through our ongoing education programs, our Community Service activity opportunities and our website, we assist our members in locating volunteer opportunities which match their skills and interests.

GNL is non-political and does not take positions on issues. Rather, GNL seeks to educate its members on the pros and cons of issues. GNL does no fundraising for other organizations, nor does it support specific community issues. Instead, we provide education for our members so that they are better prepared to make their own decisions and commitments.
