25TH ANNIVERSARY MASTERS CLASS XXV ANNOUNCEMENT

(Naples, FL) - Greater Naples Leadership (GNL) is pleased to announce the nonprofit organization's Masters Class XXV, celebrating 25 years of giving back to the Naples community. From October 2020 through March 2021, class members will participate in a series of educational sessions: Naples – Past, Present, and Future; Arts and Culture; Healthcare; Education; the Environment; Growth and Economic Development; Human Services; Government; and Immokalee. These sessions include panel discussions, lectures, and site visits. All sessions feature presentations by noted leaders in each field. Volunteer opportunities in nonprofit and civic organizations are explored so graduates know where their experience and expertise can be utilized upon graduation from the program.

GNL President J. R. Philp said, "These 47 individuals follow in the footsteps of 800 others who have completed the GNL Master Class during the past 24 years. We now have over 500 active members who are energized and engaged to better the greater Naples community by serving in non-profit and civic volunteer positions, often in leadership roles."
